Rough and tough Rodeo

Rodeo excitement comes to the Show with a programme packed with skills and thrills. Both bull and bronco events, including bareback riding, are scheduled, with the tension alive every tough second. The Gill family, one of Australia's oldest show names, runs the professional set-up and knows what it takes to keep the action pumping. This year Jason, a sixth generation Gill, is tossing his hat into the ring as manager. 'It really is one of the most spectacular events at the Show,' he said. "Great riders come from everywhere and their skill level is world-class.' Rodeo is growing in popularity and Australian riders hold their own with international champions. Rope a seat early and enjoy the thrill of Rodeo at the Show. The programme starts at 3pm and runs Friday and Saturday.
