Release date - July 18th

## **Sites are Gold at the Centenary Show.**

There are 235 premium sites available at this year's Gold Coast Show. The sites are an increasingly popular feature of the Gold Coast Show attracting Small Business, Hobbyists and major Corporate Entities from across the Gold Coast Region. "We are expecting in excess of 60,000 visitors over three days for this year's Centenary Show," said Show Manager Doug Reiser, "businesses with sites have the ideal opportunity for high level exposure of their goods and services".

The Gold Coast City Council has expanded the Council Precinct at the Gold Coast Show, bringing all Council exhibitors into one outdoor area for non-stop free family entertainment and activity between 9am and 4pm each day.

The Councils outdoor area will include SES, Lifeguards, Waterwise Trailer and the Wipe out Waste Van. On the Council Stage visitors can see Animal Shows and the Active and Healthy Show. The Stage will also have free entertainment for the kids with their popular stage show Cool Crew, featuring character favorites Larry the Lifeguard and Gee Cee the Dog. The entertaining song and dance show teaches children topics including beach safety and responsible pet ownership in a fun and interactive way.

In the Home Show Pavilion, Australian Company "I Dream of Beanies" site holder Sue Ellen Collas will be returning for her second year with Australia's cutest collectables, Beanie Kids. Sue Ellen will be showcasing the full range of current Beanie Kids along with some retired models (beanies that is). For the keen collector or those new to collecting Beanie Kids all are available for purchase at reasonable prices.

Bring the kids along at 2pm and 6pm each day of the show to meet and have their photo taken with Beanie Master. Ensure you visit "I Dream of Beanies" for your chance to receive a limited edition Gold Coast Show Bear. 100 Show Bears will be given away over the three Gold Coast Show days.

Sites are still available both indoors and out, contact Leonie Mills for more information at the Gold Coast Show Office on 5591 3422.
