Subject: PUBLIC AUDITIONS
Release Date: 20th July 2006

“Salute to the Outback” Arena Spectacular sponsored by Summerland Credit Union will be the largest celebration of the Australian Outback ever staged in Northern NSW and will feature up to 400 local performers. Producers of the event are now searching the greater Northern Rivers district for the depth of talent needed for this unique production.

“I’m confident that I’ll find the performers that will really shine in this Outback themed production” said Ozworks Entertainment producer Mark Eady. “We are looking for wide range of performers including lead female and male singers. If one of them can sing while riding a horse then that would be a fantastic option”

The Australian Outback means a great deal to Australians and presents a fascination to all people. This 60 minute family production under theatre lights and with concert sound will be a tribute not only to the Outback as a place but an acknowledgement of the Men, Woman and Children who live there.

Everyone is welcome to register to be involved in the Spectacular for roles within the show as well as support and back stage crew.
